Report of Principal and School Improvement Council

Bellevue Elementary School, located in the city limits of Rock Hill, South Carolina, is home to 471 diverse learners in kindergarten through fifth grade with a faculty of over 40 highly qualified educators. The 2009-2010 school year proved to be an exciting and successful one as we continued to build a tradition of excellence at Bellevue. Through our partnerships with PTO, SIC, Faith Based Organizations, and business partners, the School Leadership Team created a School Improvement Plan that addressed three specific needs of the school. The first was to rewrite our vision and mission statement so that it could be more reflective of the current needs of our population. The second was to improve the physical safety of the school by improving our Crisis Management Plan and working with our local law enforcement to undergo significant training for all situations. The third was to implement a (RTI) Response to Intervention Time to provide re-teaching and enrichment opportunities for all students in Language Arts and Math.

Throughout the year, our staff used district late start days to create formative math assessment items. Our teachers also began implementing the Rock Hill Schools Math Expectations Guide and continued our work with the Rock Hill Schools Literacy Expectations Guide. With the help of our district literacy and math coaches, our teachers were given the necessary support to implement these best practices into their daily instruction.

The PTO held several fundraisers this year to continue our collective goal, which is to purchase needed manipulatives and materials for classroom instruction. Our SIC continues to be a strong advocate by sponsoring literacy and math workshops for parents. Our most successful workshop was our Lunch and Learn. Over 300 parents turned out to have lunch and learn how to help their children in math through the use of manipulatives.

Over 20 girls in grades third through fifth participated in Girls on the Run, a program that promotes a healthy life style and good citizenship. Trailblazers, a program for fifth grade girls and boys, is designed to build cooperative skills and instill a team-first approach. Wildcat PRIDE is a mentoring program for students K-5. Students are paired with a faculty member and they work together to set academic and social goals. The mentees work towards earning incentives by meeting their weekly goals. The BTV News Crew sponsored by fifth grade keeps our school community up to date on all current events.

There are many highlights from the 2009-2010 school year. Bellevue was recognized as a Palmetto Silver Award winner for the second year in a row. We implemented our first gender-based classes in fifth grade. There has been an overwhelming amount of support to continue to offer this choice by the parents and students of our rising fifth grade. Our students donated over 2,000 t-shirts during a clothing drive for Haiti. We also raised over \$1,700 for both the Leukemia Society and Jump Rope for Heart.

We are very encouraged by the direction Bellevue Elementary School is headed. Not only are we offering our students a rigorous core curriculum, but we are meeting their needs as individual learners. Our school environment is nurturing, compassionate, and challenging. Bellevue is a wonderful place to teach and learn!

John Kirell - Principal
Melissa Grey - SIC Chair
